## New Club Skandics Arrive

### Two Brand New 2026 Ski Doo Skandic

Frontier Sno Riders welcome into the grooming fleet a pair of 2026 Skandic Ace 900 Wide Tracks. The arrival could not be too soon, winter has come early and the need may be great.

Photos by Gerry Lenseth

Club President Gerry Lenseth picked up the Skandics from the local Ski Doo dealer, Seymour's Motor Sports, in Cohoes. Dark of night gives a good idea that we are in the short days of December.

The Skandics will need some hitch modifications prior to hitting the trails. As of this press release, where the Skandics will see service, has not been disclosed.

The two Skandics join a fleet of six, bringing to a total, eight. However, some of the older Skandics maybe retired.

The new law allows snowmobiles older than 30 years from the current registration year to be registered annually for a fee of \$25 for any snowmobile owned by a current NYSSA club member with twenty of the twenty-five going to the trail fund.

It is now in the hands of NYS DMV to enact the law on

their end. Due to software upgrades in progress, it may take them into 2028 for implementation. We will be working with DMV officials to make it effective as soon as possible.

We thank Senator Ryan and former Assemblyman Jones for your commitment to passing this vintage snowmobile legislation and keeping the spirit of our sport's past alive for generations to come. We applaud and thank Governor Hochul for also supporting the preservation of our snowmobiling heritage. Additionally, we thank the vintage snowmobile community for their diligence and support in pushing this to the finish line.
